Internet Web Site Address: www.nfcc.org

Consumer Credit Counseling Services (CCCS) are local, non-profit organizations affiliated with the National Foundation for Consumer Credit. They provide education and counseling to families and individuals on personal budgeting and the wise use of credit. CCCS's are supported with contributions from banks, consumer finance companies, credit unions, merchants and other community services. They are not lending institutions, charity organizations, or government programs. As a non-profit organization, CCCS makes its services available for free or a reasonable fee.
